

## Western Regional Lead & Healthy Housing Conference - Exhibit Information

### An Outstanding Exhibit Opportunity

The conference provides product manufacturers, technology firms, laboratories, training organizations and environmental service providers with an excellent opportunity to meet with public health and housing agency officials, environmental remediation contractors and facility operators...all looking for ways to effectively carry out their grant programs, lead hazard control and healthy housing projects, and childhood lead poisoning prevention programs.

Special viewing times are built into the conference agenda.

Each exhibiting organization receives 10 feet of space in the exhibit area, a six-foot table, chairs and a waste basket. The exhibit area is carpeted.
