Tuesday, May 1, 2018

7:30am-5:00 pm	Conference Registration
9:00am-9:40am	<i>Welcome Remarks</i>
9:40am-10:20am	<p><i>HUD's Federal Lead Strategy</i> <i>Where are we now, where do we need to go, who is at the table, what is the grantee role?</i></p> <p><i>Public Private Partnerships</i> <i>Defining these partner types, where are they, and how do they impact grantees</i></p>
10:20am-10:40am	Networking Break
10:40am-11:20am	<p><i>State Regulations Update- Panel</i> <i>Many States have updated lead regulations and policies that we can all learn from. We will explore the changes that have been made by States, the local and grantee impact along with lessons learned from their implementation so far.</i></p>
11:20am-12:00pm	<p><i>HIPAA Info Exchange</i> <i>Understanding what is HIPAA, what are the requirements and how to manage the data you have. Impacts on data sharing agreements, how to approach a data partner with a new understanding of what you can share.</i></p> <p style="text-align: center;">”</p>
12:00pm-1:30pm	Lunch on Your Own
1:30pm-2:20pm	<p><i>Policy Review for 2017</i> We will review the progress of the policy implementation, give tips and feedback from grantee input and review the processes involved for compliance in all 2017 policies. In addition to this session there will be an amnesty table set up for the duration of the conference to allow grantees to submit documentation for review and guidance of compliance. We encourage all grantees to take advantage of the review on site to ensure information and application of policies in your documentation.</p>
2:30pm-3:45pm	<p><i>Contractor Capacity Panel</i> A national decline in lead abatement trained workers and supervisors and associated firms has been felt through our grantee network. We will hear from Regional, State, and local perspectives along with Grantees, and Contractors to hear root causes and explore new solution ideas.</p>
3:45pm-4:10pm	Networking Break

4:10pm–5:00pm	<p><i>Relocation and Occupant Protection</i> <i>What are the roles and responsibilities of the grantee, owner, occupant and contractor? What are the limitations of funding use and solutions to keep the budget intact for relocation expenses while protecting families? Documenting compliance with the process vs. completing a compliant process.</i></p>
5:00 pm – 6:30 pm	Networking Reception and Exhibit Viewing
